Export Interface

Interface for the transfer of analysis data to the I-Monitoring portal.

Prices: € 970,00 per sender (one -off).
€ 290,00 per sender for members of I-Monitoring (one -off).

For the transfer of samples the following fees are payable by the senders:

Description	Price
Transfer up to an including 500 samples	per annum 1.10 € per sample
Transfer up to an including 1,000 samples	per annum 0.90 € per sample
Transfer up to an including 2,000 samples	per annum 0.70 € per sample
Transfer up to an including 4,000 samples	per annum 0.60 € per sample
Transfer from 4,0 00 samples	per annum 0.55 € per sample

Cost Estimation

The sender estimates the quantity to be transferred per calendar year and pays the corresponding fee to HM-Software in advance in accordance with the price list.

Sample Calculation

Planned quantity of samples	Price
Planned transfer 1,250 samples	$1.250 \times 0,70 = 875,00 \text{ €}$
Planned transfer 2,500 samples	$2.500 \times 0,60 = 1.500,00 \text{ €}$

Subsequent Billing

Once you have reached 80% of the planned quantity of samples you will receive a message that you should order more. Any quantity in excess of the planned transfers will be rejected when being processed.

The above -mentioned prices are to be understood excluding valid rate of value added tax.

Valid as from 01.04.2011. All previous prices are herewith invalid.
